Help Wanted

We are looking for high school students that are interested in taking an active role in the youth group. We are looking for youth that would be willing to be leaders. Some examples of ways to be a leader would include but not limited to attending the Youth Ministry Team monthly meeting, lead parts of PYC, help plan events and possibly be a liaison to the congregation. If you are interested in being a leader please contact Patrick Kirts at 835-6759 or patrickk@mempres.org.

Spring Break Mission Trip

For those students not going on the spring break mission trip please pray for a safe and exciting trip for those that are going on it. It should be a fun and exciting time.

Summer Activities

As the summer time approaches, plans are being worked on to have activities available for the young adults to meet. If you have an idea of something to do this summer please contact Patrick at patrickk@mempres.org or at 835-6759 with your ideas.
